INDUSTRIAL INJURIES DISABLEMENT BENEFIT

1. Overview
You might get Industrial Injuries Disablement Benefit (IIDB) if you're ill or disabled:
- from an accident or disease caused by work
- while you were on an approved employment training scheme or course
The amount you may get depends on your individual circumstances.

2. What you'll get
The level of your disability will affect the amount of benefit you may get. This will be assessed by a ‘medical advisor’ on a scale of 1 to 100%.
Normally you must be assessed as 14% disabled or more to get the benefit.
All amounts are a guide only.
